

Spring 2 2017, Class; Foxes, Rabbits and Frogs; 'Where can we go for a great day out?'

Topic Activities	Week 1 20 th Feb '17	Week 2 27 th Feb '17	Week 3 6 th March '17	Week 4 13 th March '17	Week 5 20 th March '17	Week 6 27 th March '17	Week 7 3 rd April '17
Mathematical Understanding	Multiplying - arrays Division - multiples 2,5,10 R:missing numbers/inverses Time - 5 min intervals: language	Numbers as words Place value/partitioning- e.g. 1 ten + 13 1s = 23 R:odd/even morethan/lessthan	Fractions - 1/3,1/4,1/2,2/4,3/4 shape/number <i>Compare fractions</i>	ALL: Measures Weight/ temperature Scales 1,2,5,10	Read/write numbers Add/subtract - word problems incl. money, measures - empty number lines R:missing numbers/inverses Knowing that 48+35 = lessthan100(true/false - explain how you know)	Multiplication/Division Word problems word problems incl. money, measures	Time - 5 min intervals: language Time problems (duration problems)
Understanding English, communication & languages – English, Sp&L, reading, writing	Fiction – The Shadow Strikes Cold write – describe a picture of a shadow	Fiction – The Shadow Strikes World Book Day, Roald Dahl	Fiction – The Shadow Strikes	Animal Poetry From a railway carriage RL Stevenson	Information Text	Information Text	Information Text
Geography	Mr Gumpy's Outing Local river (Avon), Thames & London	Where is London? How could we travel to London? What are the differences between where we live and the centre of London?	Places to visit for a great day out Features of a great day out		How can we make our own great day out? Location of places.		A great day out Or Exhibition of learning
History		Show a picture of the woman Mary Kelynack. What do they see and think from this picture?	Why did an old woman of 84 years walk 300 miles from Newlyn in Cornwall to London? Story of The Great Exhibition 1851 London and the Crystal Palace, Prince Albert & Queen Victoria.	How could people from here go to The Great Exhibition? The story of Thomas Cook and The Great Exhibition.	Local trains SS Great Britain/Brunel	Could children like us have had a school trip to The Great Exhibition?	
Understanding Physical development, health and wellbeing – PE Gymnastics	Recap balance and introduce counter balance/tension	Learn and hold different gymnastic shapes	Reintroduce benches, balance beams and dismounts.	Recap log roll, forward roll, and introduce teddy bear roll.		Create a routine using previously learned skills	Edit and improve previous routine
Art	Art show Big Ben	Art show Big Ben	Art show prep Grafitti	Art show prep Grafitti	Art show prep Grafitti	Art show prep Grafitti	Art Show Exhibition
RE How do we celebrate our journey through	Why is Jesus important? Know and retell the Easter Story						

life							
Computing We are collectors (Switched on Computing)	Searching for animal pictures	Collecting pictures of river animals	Organising river animals into two groups	Grouping insects and other mini beasts	Sorting mammals	Guess the animal	
Spanish	Animals	Animals	Animals				
PSHE Core value skills	Looking after our Environment Discuss why it is important not to throw litter or dump chemicals in rivers and how dangerous this can be for the wildlife that live there	Looking after our Environment Talk about how protecting wildlife helps us e.g. if rivers are too polluted then fish will die and there will be less to eat for animals and humans.		Personal Safety Identifying possible hazards on days out. Recap earlier discussion about Mr Gumpy's Outing		People who helped others Choose to look at Dr Barnado or Florence Nightingale and Mary Seacole. Set children the challenge to find out who they were and what they did.	
Special Events & Visitors	24 th Feb – Safer Internet Day	Thursday 2 nd – World Book Day Parent Evening Dance Festival Pancake Day	Waste Week Yr 2 SATs Meeting				Art Show Trip?
